- You will be automatically billed the membership fee +tx each month, by Maggie's Attic of Florida, to the credit card provided in your application information.
- Club memberships are on an individual basis. The included wine tastings are for the club member and one guest (member must be present) and can not be shared or transferred.
- As a club member you may have additional guests join you at our wine tastings at a cost of \$10 each (normally a \$15 value). You must be present.
- Wine and/or beer of the month selections will be available for pick-up at or following the second wine tasting each month. If delivery is requested(limited area), it will occur by the end of that month - please provide specifics on delivery, gate codes, etc. . . .
- As a club member you may purchase wines featured during the tastings at the listed "event" price, up to the next scheduled wine tasting. While supplies last.
- If you are unable to pick-up your monthly wine/beer of the month and are outside our delivery area, we will ship your current wine/beer of the month to you. Current FedEx charges will apply and be billed to your card. A signature of a person over 21 years of age is required upon delivery.
- Special club member discounts include a 20% discount on case purchases (mix and match allowed).
- If you need to cancel your membership please contact us in writing before the first of that month. Any cancellations received after the 1st of any month will not be effective until the following month and will result in the automatically scheduled monthly charge. Your wine club membership is active from the 1st of the month through the last day of the month. (ex. January wine club includes the first wine tasting in January and the second wine tasting in January plus your wine for that month.)
- Maggie's Attic of Florida reserves the right to change these terms at any time as necessary and without prior notice. This site will always reflect the current wine and beer club terms and conditions.
